LISE ET BERTRAND JOUSSET "EXILE" PET NAT ROSÉ 2021

Pet Nats or Vin Pétillant Naturel are sparkling wines made utilizing the méthode ancestrale. In 1531 this method for making sparkling wine with a single fermentation was accidentally created in Limoux, France. Since then it has been studied and refined to create a fresh, low ABV, sometimes funky effervescent wine. "Exile" is a favorite at Josephine as an introduction to the quirky style. This Rosé Pét-nat is 100% Gamay, from hand-harvested vines that were planted in 1976 in limestone and clay-flint soils. It is different but still very approachable. The aroma is zippy with pink grapefruit, strawberry and subtle cream. Each sip is bright with tart cherry, ripe red berries and yogurt.

750ML: \$99
